

Australian Electronic Travel Authorization (ETA)

ZVS can obtain Electronic Travel Authorizations for most visitors to Australia.

This convenient and cost-effective process replaces the traditional visa stamps for citizens of the countries listed below.

Please note: Certain trips will still require a traditional visa. These include temporary work assignments and activities outside of tourism and business meetings. Also, electronic visas are only good for travel on certain major airlines. For more details, please call ZVS at (866) 788-1100 or refer to the Electronic Travel Authorization confirmation email you will receive from ZVS. You will receive confirmation within four business days.

Australian ETA's are valid for citizens of the countries listed below. All other citizens must obtain a regular visa in their passports.

Belgium	Hong Kong	Malta	Spain

Instructions:

1. Fill out on application per person. All fields must be completed. Please either fax or email the completed form to us:

By fax: 1-866-871-7346

2. Before submitting, carefully check all data and credit card information. Incomplete/inaccurate data and credit card information may delay processing and issuance of the ETA. There is a \$10 fee for all declined credit cards.
3. You will receive an email confirmation from ZVS acknowledging your ETA application

This confirmation will provide you with the ETA number you will need upon entry into Australia.

IMPORTANT: Your ETA will ONLY be valid for the name and passport number provided in your ETA application. Each traveler, regardless of age, must have their own ETA
